

Jeff Weeks

Art Director / Web Designer / Illustrator

PERSONAL OBJECTIVES

To utilize knowledge of Vector, Rasture and 3D graphics in order to work in a challenging environment of creative driven peers while focusing my skills on illustration, the design process and all things in command of creative thinking.

My career to date has allowed me to shape not only my creative and technical skills, but has also conditioned me to thrive in any range of work atmosphere or circumstance. I am loyal, ethical, driven and efficient.

EXPERIENCE

Today's Desire

September 2011 - Current

TITLE: PRESIDENT / ART DIRECTOR

Drop Shipping company targetted at selling assorted name brand womens clothing directly from the manufacturer of the desired product.

<http://www.todaysdesire.com>

CPS Products

May 2010 - Current

TITLE: ART DIRECTOR

CPS Products is a HVAC/R product development company for domestic and interational distributors around the world. As Art Director and department manager I oversee all outlets of day to day media submissions and online marketing goals as well as all levels of brand management and print material including catalogs, flyers, brochures, and product packaging.
